EDUCATION

B.Tech, Computer Science & Engineering

Nalla Narasimha Reddy Education Societys Group Of Institutions

2021 - 2024

Diploma, Mechanical Engineering

Vijay Rural Engineering College(VREC)

2018 - 2021

Secondary (X)

CISCE board

Year of completion: 2018

CGPA: 8.80/10

WORK EXPERIENCE

Machine Learning

YBI Foundation, Virtual

Internship • Sep 2023 - Oct 2023 (1 month)

I have learnt on machine learning classifiers and done some projects on models like KNN, Random Forest, and classification Regression

Artificial Intelligence (AI)

YBI Foundation, Virtual

Internship • Sep 2023 - Oct 2023 (1 month)

I have learnt about AI Technology and Basics classes of how to implement the projects on AI

TRAININGS

Autocad

Design Tech Solutions, Nizamabad

Jun 2021 - Nov 2021

I have done the course on AutoCAD software at Design Tech Solutions and gained an intermediate skills on AutoCAD designing software and learnt how to design a tool.

Unix

Design Tech Solutions, Nizamabad

Jun 2021 - Nov 2021

I have done my training course on Uni-Graphics software at Design Tech Solutions and learn about how to design a tool and done some complication designing project on different tools and machine parts

ANSYS

Design Tech Solutions, Nizamabad

Jun 2021 - Nov 2021

I have done the course on ANSYS software at Design Tech Solutions and learn how to load on the objects which is of basics and this course is of very short period of time

PROJECTS

Threat detection in websites using machine learning

Aug 2023 - Sep 2023

This project is about the detection of threats in websites, like if it containing malicious or benign. We justify it by checking the URL characteristics. The result is displayed to user in the form of percentage if it can be used or not

SKILLS

PHP
